AT YOUR SIDE, LOOKING AHEAD

«-----open and effective working relationships enable us to deliver superior work results-----»

OUR APPROACH

At Schellenberg Wittmer, we work to satisfy your needs by providing commercially focused, dedicated legal advice of the highest quality.

We combine the cutting-edge individual capabilities and the specialized know-how of our over 130 lawyers with the dynamic power of teamwork to achieve your objectives.

Recruiting and rewarding the best talent ensures that our lawyers provide consistently high standards of client service. They bring an enthusiastic, unassuming and innovative approach to all of their business dealings. The challenge of relentlessly seeking and finding the best solution for you translates into an entrepreneurial ethic that our lawyers apply to their every endeavor. It is their dedication and hard work that makes the difference. Many of our lawyers, with the firm's support, perform public service and engage in academic teaching and publishing, thus further contributing to the overall excellence of what we offer you.

At Schellenberg Wittmer, we believe that working together works best. This team concept enhances both the efficiency and the quality of our services. We encourage open discussion and the free flow of ideas and know-how within the firm through an open door policy.

In dealing with you, we cultivate a personal, engaging approach. We thus maintain a close and responsive relationship with you at all times. You enjoy the many benefits of having an assertive ally and a vigorous advocate at your side. At the same time, our integrity is uncompromising.

The goal of all our efforts is to develop an open and effective working relationship with you, your advisors and other partners, which enables us to deliver superior work results.
